Beginning at the library, follow the map around downtown Ironton to enjoy the story and activities. Maps can be picked-up at the Ironton Library and are also available online at [briggslibrary.com](http://briggslibrary.com) or [facebook.com/BriggsysKids](https://facebook.com/BriggsysKids).

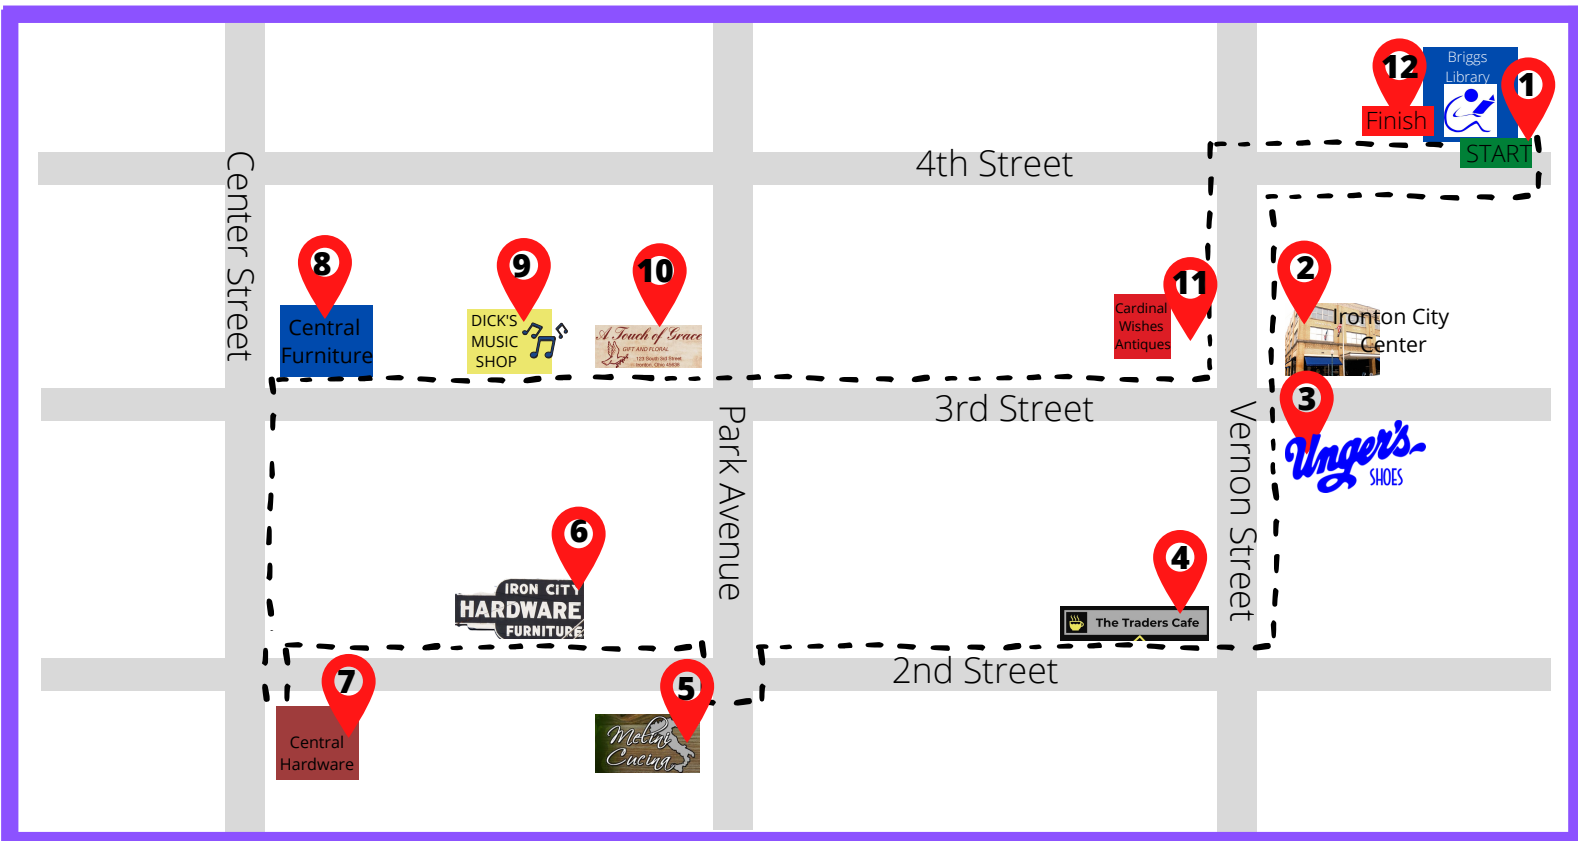

After your group has completed the storywalk, return your map to the Ironton Library and let us know how many people participated (both adults and kids). Upon completion, kids will receive a goodie bag, while supplies last.

If a child or teen is a registered participant of our Summer Library Club, take a picture with one of the pages, show the picture to library staff where they are registered and they will receive a ticket for their respective Summer Library Club.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. Storywalk® is a registered service mark owned by Ms. Ferguson.
